

## Reflective Letter Assignment by Anne Arvidson\*

When you have completed this project, I would like you to write me a brief, reflective letter telling me what you felt as you were doing this assignment and after it was finished.

- ✓ Tell me what you worked on the hardest or struggled with in doing this assignment
- ✓ Share with me what you think you did well: what worked, really worked
- ✓ Show me where you were drawn into the assignment and where you were pulled away from it. What did you do to get back into the work?
- ✓ Share your overall impressions of this writing assignment.

Your **REFLECTIVE LETTER** is your chance to “talk” with me about your writing, your learning, and your experiences in completing this assignment. With your letter, make me see your work – and your learning – through your eyes.
