

# SELF- AND PEER-ASSESSMENT RUBRIC

For Alphabet Book Activity

Look very carefully at your work. Decide which level best represents your work in each of the four categories. Shade part of the box with a color. Your partner can then do the same thing, except he or she should use a different color when shading the box that best represents your work. (There may be two colors in the same box—that's okay.) On the back of this sheet, explain why you chose each of the levels for the four categories.

	LEVEL 1	LEVEL 2	LEVEL 3	LEVEL 4
<b>WRITING STRUCTURE</b>	I had a lot of difficulty figuring out the author's structure for the book. My page does not follow the same structure.	I had some difficulty figuring out the author's structure for the book. My page follows the same structure in some ways.	I was able to figure out the author's structure for the book. My page seems to follow the same structure.	I had no trouble figuring out the author's structure for the book. My page follows the structure perfectly.
<b>WRITING PROCESS</b> PREWRITING FIRST DRAFT EDITING REVISING CONFERENCING PUBLISHING	I did not move beyond the first draft. I forgot to conference.	I used some of the steps in the writing process, but I may have missed one or two.	I followed all of the steps of the writing process.	I followed all of the steps of the writing process very carefully.
<b>ILLUSTRATION</b>	My illustration does not match what I wrote.	My illustration matches what I wrote, but could use more detail.	My illustration matches what I wrote.	My illustration matches what I wrote and includes detail.
<b>OVERALL</b>	I do not think my page would fit in the original book we examined.	My page would most likely fit in the original book we examined if I worked on it some more.	My page would fit in the original book we examined.	My page would definitely fit in the original book we examined, and I think if I sent it to the author he or she would want to put it in the book.
