1. The next pages (what would be pages 3 and 4 of the story) have information about a coral reef. Prompt the students to finish the sentence stems as a metaphor:
 - The tropical coral reef is a _____. (garden)
 - The anemones are _____. (flowers)
2. The next pages have beautiful fish and information about them. Just read these pages.
3. The following pages (what would be 7 and 8) explain the symbiotic relationship of some fish.
 - One dangerous fish is a _____. (rock)
 - The other fish is _____. (poison)
 - The octopus is a _____. (chameleon)
4. Continuing:
 - The penguins are _____. (suits)
 - The anchovies are _____. (a circle)
5. Next:
 - The kelp are _____. (trees or forest)
 - The sardines are a silver _____. (cloud)
6. A few pages ahead:
 - The bat rays are _____. (pancakes)
7. Another several pages ahead:
 - Dolphins and belugas are _____. (smiles)
