POEM
I’m homesick
A fantasia of bubbly ocean sunshine
Engulfs me
But my sailing imagination
Leads me home
To a white Dalmatian
A blue tick hound
And you.

POEM
A grace of golden gazelles
Gathered round the gazebo
Nibbling on lotus flowers and tangerines
Relishing refreshing root beer on rye
Laser light slashes
The gazelles gabbling gaiety
A kaleidoscope of flying fur and
Fleeing forms!
