

Click! Your child is assigned to take 3 pictures of _____ for our brochure. Please try to find three different views or angles of this place for your pictures. We have learned ten great picture-taking tips and have looked at books with interesting photographs. I bet your child will have lots of great ideas. If you need some help getting started, you can read the ten tips below:

- Look your subject in the eye
- Use a plain background
- Use a flash outdoors
- Move in close
- Move the subject from the middle
- Lock the focus.
- Know your flash's range
- Watch the light
- Take some vertical pictures
- Be picture director

If you want to read more about these tips, visit Kodak's website at:
