Dear Parents,

We are in the process of creating a brochure about our town aimed at a new student who has just moved here. We have chosen the places that we would like to include in our brochure, but we have some questions and information that we still need. Please help your child find this information. You can:

- Use the Internet. Try the visitor's bureau site to see if there is any information about _____. The website ConventionBureaus.com (<http://www.conventionbureaus.com/>) will give you a place to start.
- Try calling _____ to get the information.
- Visit _____ and see if you can talk to an employee or manager to find out more.
- Interview people who have been to _____ to find out more interesting information about it.

Thank you for your help with our project.

Sincerely,
