

Literature Circles with Film Roles – Soundtrack Designer

Music adds a great deal to the ways we perceive something and the emotions involved. As you read this section of the book, think about the kinds of music and songs that would fit in with the story.

To help you with this task, think about the following questions:

1. Is there a specific genre of music that makes the most sense with this story? Could several genres be integrated?
2. Below list some songs that might fit in with the story:

3. Choose one specific scene in the story where music is a MUST. Write the page number and a summary of what is occurring.

4. What song would you choose to have play during this section of the story? Why would it be an appropriate song?

5. On the back of this sheet, create the cover for the soundtrack. Also, list the songs and artists appearing on the album.
