MEDIA SKILLS CONFERENCING FORM

To the Teacher: Ask the student the following questions.
Record his or her responses on this form.

How did you get to this website?

What tools did you use?

(Teacher Note: Does student use the correct terminology?)

At which website did you find the most information?

Why do you think it is important to use more than one website when doing research on the Internet? Why do you say that?

(Teacher Note: You are looking for them to give you specific examples.)

Is there anything else you want to tell me about what you are doing on the computer today?
