

## ***Gulliver's Travels* Analytical Essay**

Satire ridicules a subject in order to make a comment or criticism about it. Based on the specific historical references and the additional details on the government and monarchs in *Gulliver's Travels*, write an essay that summarizes and explains the satire's commentary and/or criticism of the British government. Your analysis should explain the overall message that the text communicates about society.

Your essay should make specific references to details in the text that support your interpretation. Be sure to provide documentation for quotations from the text as well as from outside resources you have consulted for historical information.
